Optimist Club Members Receive as Much as They Give:

- The fellowship of people who get things done—and the example they set for embracing a similar Optimistic mindset
- New social and working relationships with individuals from a cross section of our communities
- The opportunity to develop and demonstrate leadership skills locally, regionally, nationally and internationally
- And the satisfaction of making a difference in lives of children as well as our communities

Whether you are searching for an outlet to help your community, personal development, or rewarding camaraderie, you'll find what you're looking for in your local Optimist Club. Joiners become more tolerant and empathetic to the needs of their community.

The programs and guest speakers offer the Members an opportunity to learn, grow and improve themselves. The program features the youth in the community, as in the Essay and Oratorical Contests or in the Youth Appreciation activities. These meetings help to reinforce our commitment and allow us to take pride in our accomplishments.
